

### "Inline" one-way flow control valves

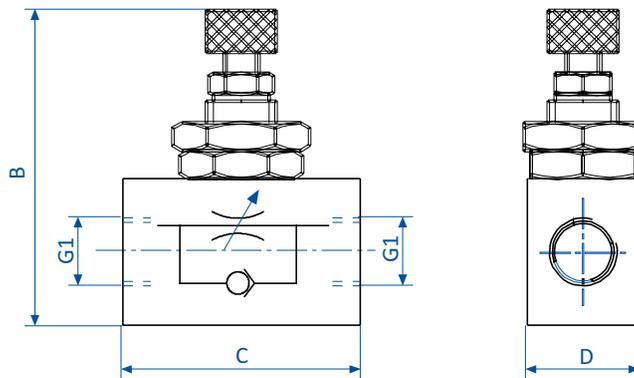

#### Product notes

- > Limitation of suction flow at a constant vacuum level
- > Reducing leakage at unoccupied vacuum cups maintains an adequate vacuum level for vacuum cups covered by products and thus prevents products from being dropped
- > Manual adjustment using knurled screw

#### Technical data

Item no.	Maximum flow rate [m <sup>3</sup> /h]	Regulating range [mbar (psi)]	Operating temperature [°C (°F)]	Weight [g]
73.001	2.4	-999 - 0 (-14.5 - 0)	-20 - 80 (-4 - 176)	95
73.004	5.4	-999 - 0 (-14.5 - 0)	-20 - 80 (-4 - 176)	95

#### Dimensions

Item no.	G1	B [mm]	C [mm]	D [mm]
73.001	G1/4	60	39	22
73.004	G1/2	75	56	30
