

Clamps with angle brackets – for direct mounting

Mounting air nippers on EOAT or special machines

Air nipper GT-NR20 assembled on extrusion SLine

Product notes

- > Mounting bracket for installation on grippers or special machines
- > Easy positioning of the air nipper thanks to 2x 90° adjustable design
- > Versatile thanks to alternative installation using slot nuts or threaded shaft holder
- > Slot nuts and mounting screws for installation on FIPA SLine and MLine extrusions included in scope of delivery

Technical data

| Item no. | Weight [g] | Air nippers |
|------------|------------|-------------|
